

GreenSpirit book series

Engaged Spirituality for a Living Earth

Edited by Marian Van Eyk McCain

WHAT IS GREEN SPIRITUALITY?

Introductory book describing and beautifully illustrating the basic concepts and expressions of a spiritual attitude for today's world.

ALL OUR RELATIONS

GreenSpirit Connections with the More-than-Human World

Celebrates and honours our relationships with all those other life forms who share our Earth.

DEEP GREEN LIVING

Beyond simply living green there is an even more radical way to live. And that is to understand, with your entire mind and body and soul, that you are not simply 'on' the planet, you are an intrinsic part of the planet.

RIVERS OF GREEN WISDOM and PATHWAYS OF GREEN WISDOM

Two linked titles covering numerous wisdom and mystical traditions and their teachings about the natural world. *Rivers* is authored by Santoshan (Stephen Wollaston) and explores Christian and Yogic Earth centred spirituality. *Pathways* is multi-authored and edited by Santoshan and covers 10 principal traditions.

THE UNIVERSE STORY IN SCIENCE AND MYTH

Greg Morter and Niamh Brennan

Retells the awesome story that science has given us about our Earth, the span of which covers billions of years of evolution, and considers its implications for the future development of human consciousness.

THE RISING WATER PROJECT

Real Stories of Flooding, Real Stories of Downshifting

Compiled and with a Foreword by Ian Mowll

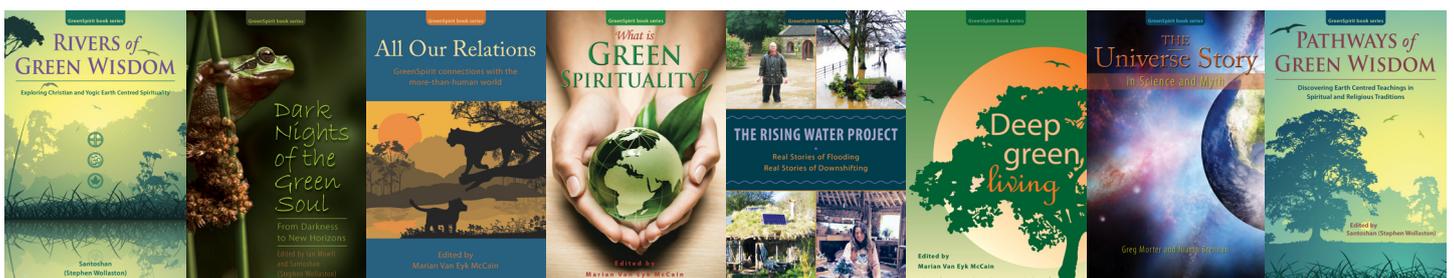

Pulls together a collection of personal stories of people whose lives were turned upsidedown by floods due to climate change, along with inspiring accounts of people who downshifted their way of living.

DARK NIGHTS OF THE GREEN SOUL

From Darkness to New Horizons

Edited by Ian Mowll and
Santoshan (Stephen Wollaston)

Highlights insights about facing difficult times, alongside reflections on our interactive relationship with Nature and our shared responsibilities.
